

Instructions for Quilt Show Entries

Attaching the quilt label

- A fabric show label has been provided for each entry submitted.
- Please write your **Name, Membership #, Entry # and Quilt Title.**
- A permanent marking pen works best.
- Tip: It may be easier to write on the label if you iron it onto freezer paper first to stabilize it.
- Please sew this label onto the back of your quilt in the bottom left corner as shown:

PUT ONE STICKY LABEL ON EACH END OF YOUR HANGING ROD AND ONE STICKY LABEL ON YOUR CLEAR PLASTIC BAG CONTAINING YOUR QUILT (except challenge quilts)

Challenge Quilts

- To hide your identity you may cover up the fabric label by taping a piece of paper over it so it can be revealed at the end of the show.
- Please cut off your name and phone number from the adhesive labels.
- Please put challenge quilts in an opaque plastic bag or paper bag (so no one can see it)

Packaging your quilt

- For **quilts up to 72" wide**... you will be given a piece of blue ribbon and a dry cleaner bag. **Put your quilt on your rod, tie the ribbon to one of the cup holders and then pin the other end of the ribbon to the hanging sleeve at the back.** Then roll your quilt up making sure the front of quilt is showing and place in dry cleaner bag and tie with a zip tie.
- **Quilts larger than 72" wide**...Fold your quilt (at the last minute to avoid creases) so that the fabric show label is visible.
- Pack your quilt in a clear translucent plastic bag and seal it with a twist tie so that your quilt can be removed without tearing the bag. **Dowels should not be placed in the bag.**
- Do not tape up your bag as it will be used again after the show to pack your quilt in.
- Attach one ID label provided by the registrar to the bag so it is easy to see.

Dowels

- Each quilt must come with the **appropriate size dowel**. For a small quilt your wooden dowel should be on the smaller size dowel, queen or king should be on a dowel 1 inch to 1 ½" inches diameter. And so on, **the dowel should be strong enough to hang the weight of your quilt without sagging, but not too thick.** Your dowel **should not extend beyond your quilt by no more one inch ON EACH SIDE.** If these instructions are not followed your quilt may not be able to be hung.
