

# Delectable Mountains

The BOM is a 12 inch block  
(12 1/2 inches edge to edge)

Historically, Delectable Mountain is another name for the Kansas Troubles block. As an optional block in the sampler quilts, we will be using a modern variation as our block of the month. If you decide that one of the blocks is too advanced for your current skills, you can substitute this block instead. Or if you are making a bed quilt, this block would look lovely as a border across the pillow - either a strip of half blocks or whole blocks. Another idea would be to split this block in half and put the mountains around your label on the back!

Colour the block on the left with your own colour choices to help with the placement of the pieces.

Let's make these real green mountains on the palest blue sky!

You will need 2 1/2 inch strips of all three fabrics:

Background: 4 - 2 1/2 inch squares

**4 - 4 7/8 by 2 1/2 inch strips**

**4 - 6 1/2 by 2 1/2 inch strips**

Light Green: 2 - 2 1/2 inch squares

2 - 4 7/8 by 2 1/2 inch strips

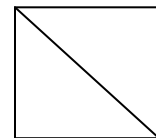

2 - 6 1/2 by 2 1/2 inch strips

Dark Green: 2 - 2 1/2 inch squares

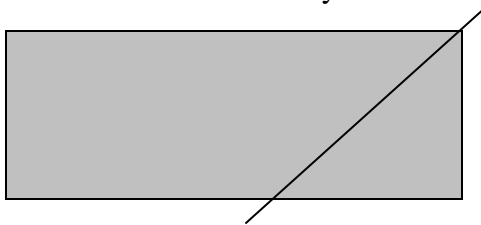

2 - 4 7/8 by 2 1/2 inch strips

2 - 6 1/2 by 2 1/2 inch strips

1. Draw diagonal lines on all the 2 1/2 inch squares, but do not cut. Set these aside for your connector squares

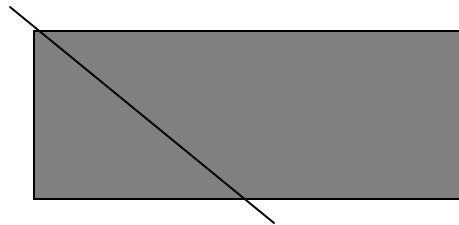

2. You will need to layer your 4 7/8 inch pieces **right sides up** to cut the angles. All the pieces must look the same once they are cut.

2 Light Green and 2 background

Cut the strips at a 45 degree angle through the end. Discard the triangles.

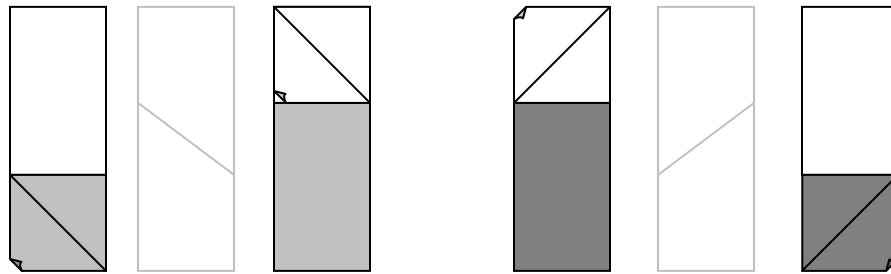

2 Dark Green and 2 background

If you have any problems, please don't hesitate to call Lyn at 604-421-1357, or come to the drop in at 1133 Pipeline Rd on Saturday, Feb 26<sup>th</sup>

3. Join one background  $4 \frac{7}{8}$  inch strip to each green  $4 \frac{7}{8}$  inch strip. The strips should now measure  $6 \frac{1}{2}$  inches by  $2 \frac{1}{2}$  inches. Trim the dog ears!

4. Now, lay out your strips so they match the diagram. One background, one half and half and one coloured strip for each corner of the block. Put the connector squares on the  $6 \frac{1}{2}$  inch strips with the diagonal matching the diagram. Sew on the diagonal line, fold towards the outside edge, press, and remove the middle layer.

5. Sew the strips together and you have a Delectable Mountain Variation

Since Earlene Fowler is currently writing this book, we don't have a plot synopsis yet!
