

BLUE MOUNTAIN QUILTERS' GUILD SUMMER CHALLENGE 2015

Now that everyone is an expert at English Paper Piecing, we are issuing a challenge to members to create a functional item to bring back to the October 2, 2015 meeting. There will be voting and prizes!

GUIDELINES

1. Items must be functional. Think totes, pouches, pot holders...get your thinking caps on! Think stuff for the kitchen, the beach, vacations or workplace .Yes, a quilt is *definitely* functional, but we aren't looking for quilts in this challenge.
2. Items must contain at least 5 **VISIBLE** hexagonal shaped English Paper Pieced segments. They can be any size.
3. Items can be quilted or unquilted. They can be embellished any way you like and as heavily as you like! Go ahead and tart it up!
4. Items must fit within a 30"x30" frame. No twisting of the rules, don't make a queen sized quilt and fold it up! LOL!

Have we given you any ideas? We bet we have! We are already looking forward to seeing what you create. And please don't be hesitant about entering something. Some people aim for prizes but most of us just like to participate. Like they say, "It's all good!"

We hope you have a great summer!!
