

Sweet 16

Cutting instructions:

- 2 7 1/2" square of solid black
- 4 2 1/2" squares of medium to dark grey solid
- 4 2 1/2" squares of a bright colour solid
- 8 2 1/2" squares of white solid

Cut the 7 1/2" black squares diagonally once.

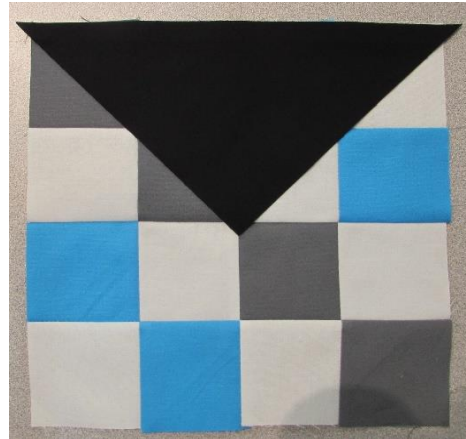

Construction of block:

Layout your 2 1/2" squares as per picture 1A and sew together the 16 patch. This should measure 8 1/2" square. Center one of your black solid triangles over one side of the 16 patch. The point will be on the center seam line when correctly positioned. See picture 2A. Sew the seam to join. Repeat on opposite side. Press to black. Then repeat on the two remaining sides. See picture 3A.
