

QUILTING BEE

May 25, 2019

Join us at Mackin House or at Laval Square for our Quilting Bee! We are making a quilt to commemorate our Heirlooms & Treasures exhibit. Learn to sew by hand and try out a sewing machine from the 1920s. See examples of some of the quilts in our collection and learn a new skill. Experienced quilter? Help out a newbie. Never sewn before and want to see what it is all about? This is your chance!

Free, drop-in. Refreshments provided.
