

Color Theory

2023-2024 BOM

Each month you will be provided with amounts required for each block. If you would like to make a block for yourself to keep and make a quilt of your own, see list below.

Supplies:

Color Wheel - Will be super helpful!! I love the Dritz one as it has windows in it so you can easily compare your fabrics to the color wheel. LINK: <https://a.co/d/honqOyQ>

1.5m White SOLID Background (enough for 10 blocks and mistakes...) (SNOW by Colorworks, available at Fabricana)

12 - Fat Quarters TONE ON TONE (12 colors of the color wheel, mix it up using different color values for variation)

1- Fat Quarter of a PRINT that has a **predominant** background color from 1 of the 12 colors on the wheel. (NO WHITE OR BLACK BACKGROUND) (of course it can have other colors.... its a print!!) (enough for the 3 blocks that use prints)
