

BLUE MOUNTAIN QUILTERS GUILD
PIZZA BOX ROUND ROBIN CHALLENGE 2025

It is hoped that this project has been the challenge it was intended to be through creative experimentation during the five rounds.

The BIG REVEAL

Immediately after you check in to the meeting with Melody McGowan On **October 3** - proceed to Debbie Miller at the Treasurer's desk to give/hand-in the Pizza box you worked on for the final Round 5. Should you be unable to attend the October 3 General meeting please ensure the Pizza Box in your possession gets to the meeting with someone other than the original block maker.

Right after the break, you and your group will be invited forward to open your box.

General Information:

Inside your box you will find the quilt top with your center block, Round 1 triangles, Round 2 corners (log cabin or applique); Round 3 border (squares and/or rectangles); Round 4 border (stars and/or pinwheels); and Round 5 border (squares on point and/or diamonds) added.

The overall finished size of the quilt top / flimsy is expected to be about 55 inches square. You may choose to enlarge yours further when it returns to you on October 3, 2025.

ALL spare / unused fabric will be in the box to allow the owner to use as needed to fully complete the project.

BIG REVEAL Plan

- **A special time is set aside at the October 3 General meeting:**
 - The Big Reveal should be a surprise for everyone.
 - Each quilt owner of a specified group will open their pizza boxes simultaneously.
 - A reminder the Groups are: Diamond, Jade, Pearl and Sapphire
 - The 6 quilt tops of each group WILL be shown to the membership at that time.
 - The designated photographer will archive each one.

The Future of the Quilt Top

- The owner may augment the project to completion and bring it back to a future BMQG 'show 'n' tell'.
- **NOTE:** *There will be a unique space set aside at the April 2027 BMQG Show for all 24 of these RR quilts to be displayed.*

Reminders:

- Do not show the block owner the quilt at any time until the reveal on October 3, 2025
- Note: There are willing mentors to help you complete your returned quilt top:
